BOY SCOUTS OF AMERICA®

Prepared. For Life.™

Information For Parents

Welcome to Scouting: Scouting provides many great year-round programs and activities for the youth and their family members to participate in. Scouts will have an opportunity to meet and work with other Scouts from other communities, and as they grow into Boy Scouts, meet Scouts from other states and even have the chance to attend both National and International Scouting events. For more information on Scouting in Michigan, you can go to our website at: www.michiganscouting.org/presidentford

A great website to learn more about Cub Scouts or Boy Scouts, is www.BeAScout.org. The website is designed to help families find a Scouting unit near them along with some great video's on what Cub Scout and Boy Scouts do.

Volunteerism at it's Best

The President Ford Field Service Council, Boy Scouts of America is run thanks to the generosity of thousands of volunteers. Getting involved as a volunteer makes a great impact not only on the quality time you have to share with your child, but enables you to teach by example. Scouting is designed to help even the busiest person get involved. If you have one hour a month or one hour a week, the scouts have something for you. Don't be shy—volunteer today for your children's sake.

Can't make the Sign-Up Meeting?

If you cannot attend the School Night meeting in your area, you should contact the unit leader listed on the bottom of this flyer. You may also visit the BeAScout.org website and log in by zip code to bring up a list of local Scout units, or contact the your local President Ford Field Service Scout Service Center closest to you.
